

The third annual Equines in the Vines is an afternoon of local wines, live music, food, vendors and a silent auction. Enjoy a great afternoon with your family and four-legged friends (this is a dog friendly event). The event will be held on Sunday, April 22<sup>nd</sup>, 1-5 pm, at the picturesque Linganore Winecellars in Mt. Airy, MD. All proceeds from this event support The Foxie G Foundation.

The Foxie G Foundation is a volunteer based 501(c)(3) rescue organization that is dedicated to creating a brighter future for homeless and/or abused and neglected animals. Foxie G provides the following programs, benefits and services within the local community.

Our services include:

- **HORSE RESCUE**

Provide rescue, rehabilitation and re-homing for Thoroughbreds, whether off the track or not. We accept horses from private owners and local animal control agencies. Through a permanent retirement and adoption program these horses are given the opportunity to find new homes and often a new career. All of our horses are kept and cared for at Summer Wind Farm located in Frederick County, MD at 14024 New Windsor Road, Union Bridge, MD 21791. Any horse adopted out by The Foxie G Foundation, can return to our farm at any time, for any reason.

- **CAT RESCUE**

Veterinary care including spay/neuter, vaccinations and other veterinary services are provided to free-roaming or feral cats in the community, as well as abandoned or owner give-ups. The cats are socialized and are then placed in adoptive homes. Cats that are unadoptable are placed in a sanctuary setting. With the exception of the free-roaming or feral colonies, which are cared for daily, all of our cats are kept and cared for at Summer Wind Farm located in Frederick County, MD at 14024 New Windsor Road, Union Bridge, MD 21791. Any cat adopted out by The Foxie G Foundation can return to our farm at any time, for any reason.

- **CAT VETERINARY AND FOOD PROVISION PROGRAM**

Cats receive free veterinary care including spay/neuter and vaccinations. Volunteers provide cat food to individuals and families who cannot afford the food for their indoor pet cats and/or free-roaming cats.

- Provision of cat food and monetary support for veterinary care to families and seniors who not be able to keep their pets or obtain needed veterinary services otherwise.

- **COMMUNITY OUTREACH AND EDUCATION**

This effort involves contacting individuals who are referred to the foundation by veterinarians, through our website or by other sources. Educational information pertaining to cats and/or horses is provided. We also attend numerous community events to provide information about our foundation and the services we provide.

You can support this great cause in several ways. Please consider becoming a sponsor for our event. Your generosity will help at risk animals, and help support community outreach efforts.
